Dear Brother Knights,

I hope and pray that this letter finds you well. I am writing you to offer my heartfelt gratitude for your generosity in supporting the Salesian's 9th Annual Pro-Life Youth Rally. We are so appreciative to see the Knights of Columbus stand with us in this important mission of educating and empowering the youth of New Jersey to stand up for life!

For the past 9 years this program has continued to expand and improve so that New Jersey high school students can experience tremendous support and be given important information on how they as young people can begin working for a culture of life. Our ability to impact these young people is a direct result of the generosity of our supports.

I know the Knights of Columbus are huge representatives of the pro-life movement. We are so pleased to be joining together with you to help the young of our Church. This is a great step forward for the Pro-Life movement in New Jersey.

Once again, know of our intense gratitude and please be assured of our continued prayers for you, your loved ones and your work. If you'd like to learn more about the New Jersey Pro-Life Youth Rally or are interested in attending or volunteering your time, please contact Mary Elise Zellmer at mezellmer@salesianym.com or 973-761-0201.

Thanks and may God bless you.

MEZ

With gratitude in St. John Bosco,

Fr. Steve
