Dear Brother Knights,

Once again I am in your debt. Your donation of \$2,898.81 toward our needs at McAuley School is deeply appreciated.

As many of you know we moved into our new building on January 7, 2011. We are very happy to be here and one of our students said it best, "We have a real school now."

Our space has expanded and so have the costs to run the school.

Bigger may be better but it is also more expensive. Your donation is helping us to give our students those niceties that would normally be cut out with a shoe string budget. But, then again, you have always been our "knights in shining armor."

Thank you again for all of the time, effort, planning and energy that you put into the drive for the mentally handicapped.

Gratefully yours,

Sister Lee Ann Amico  
Director
